Additional Information

Ordering

Please read and fill out the enclosed order form completely and fax to (707) 968-9040 or mail to 3060 White Sulphur Springs Road, St. Helena, CA 94574. Your order constitutes acknowledgement of all information contained in this letter. Incomplete or incorrect orders may delay or prevent the receipt of your wine.

Guarantee

We spare no expense in bringing you our wines. We use the best winemaking practices and bottle with the finest bottles, corks, and packaging available. However, if you are ever not satisfied with a bottle of wine purchased from us, let us know. We'll replace it with either the same vintage or, if that vintage is unavailable, our current vintage.

Repeat Customer Discount Program

We appreciate loyalty from our repeat customers and want to give them the best selection at the best price. At the same time, we want to give new mailing list members the chance to try our wines. We think we've come up with a fair solution. We send our mailers out in waves, starting off with customers who purchased from us during the previous year. They will have the first opportunity to purchase the new release. They may also take advantage of a special discount based on their past purchases: 10% plus 1% more for every hundred dollars they spent with us during the previous year (up to a maximum of 20%). Customers who purchased from a release but then chose to skip a year will still receive a 10% discount to welcome them back. Skipping two years will return a customer to retail pricing and a regular spot on the mailing list. Providing we still have wine available after offering to our most recent customers, we will offer wine to regular mailing list members.

Storage and Personal Pickup

We are unable to offer personal pickup or storage of your wine *except in cases of weather holds*. If you wish to store your wine longer or are unable to provide a shipping address in a state to which we can legally ship, we recommend you set up an account with 55° (www.FiftyFiveDegrees.com / 707-963-5513), All Ways Cool (www.AllWaysCool.com / 707-545-7450) or Vinfolio (www.Vinfolio.com / 800-969-1961). These companies offer wine collectors secure, temperature controlled storage, cellar management, and access to their wine collections close to Northern California's finest wineries. We offer free delivery of your order to these or other commercial wine storage or 3rd Party shipping locations within California.

Shipping

Shipping laws are always changing and you, as the buyer, are solely responsible for the shipment of alcoholic beverage products into your state. We make no representation to the legal rights of anyone to ship or import wines into any state outside of California. Restrictions on quantity, special permits, and local sales or use tax may apply for some destinations. You are responsible for following your state's regulations. At the time of printing, we know that we are unable to ship to Utah and shipments to Massachusetts are only available via 2 Day DHL.

Your wine will be delivered to you at WW Shipping Solutions' temperature controlled facility in the Napa Valley where it will be carefully packed, strapped, and shipped. Your order constitutes your authorization to engage a common carrier on your behalf to deliver your wine. If you are unable to provide a shipping address in a state to which we can legally ship, you do have some options. In addition to the local storage recommendations mentioned above, WW Shipping Solutions may be able to arrange legal shipment of your wine while we can not. You should contact them directly (orders@wwshippingsolutions.com or 800-557-9233) to make other arrangements for your wine. Note that if we deliver your wine to you or your agent in California, we must charge you CA sales tax.

We provide free ground shipping and handling for orders of six bottles or more (any combination of 750ml and/or 375ml bottles.) We also pay for ground shipping of any number of 1.5L magnums. We subsidize the costs of 2nd Day Air shipping and on ground shipping smaller orders. All deliveries of any size made to a residential address will encounter an additional charge of \$5 per box. Please provide a business delivery address if at all possible.

If you have questions or comments about our shipping, please don't hesitate to email info@matchvineyards.com
