All alcoholic beverages are sold in California. Title passes to you in California. We make no representation to the legal rights of anyone to ship or import wines into any state outside of California. You, as a buyer, are solely responsible for shipment of alcoholic beverage products. By placing an order, you authorize us to act on your behalf to engage a common carrier to deliver your order to you. You also represent that you are at least 21 years old and that the person to whom you will be directing delivery is at least 21 years old.

Shipping

Shipping laws are always changing and you, as the buyer, are solely responsible for the shipment of alcoholic beverage products into your state. We make no representation to the legal rights of anyone to ship or import wines into any state outside of California. Restrictions on quantity, special permits, and local sales or use tax may apply for some destinations. You are responsible for following your state's regulations. At the time of printing, we know that we are unable to ship to Utah and shipments to Massachusetts are only available via 2 Day DHL.

Your wine will be delivered to you at WW Shipping Solutions' temperature controlled facility in the Napa Valley where it will be carefully packed, strapped, and shipped. Your order constitutes your authorization to engage a common carrier on your behalf to deliver your wine. If you are unable to provide a shipping address in a state to which we can legally ship, you do have some options. In addition to the local storage recommendations mentioned above, WW Shipping Solutions may be able to arrange legal shipment of your wine while we cannot. You should contact them directly (orders@wwshippingsolutions.com or 800-557-9233) to make other arrangements for your wine. Note that if we deliver your wine to you or your agent in California, we must charge you CA sales tax.

We provide free ground shipping and handling for orders of six bottles or more (any combination of 750ml and/or 375ml bottles.) We also pay for ground shipping of any number of 1.5L magnums. We subsidize the costs of 2nd Day Air shipping and on ground shipping smaller orders. **All deliveries of any size made to a residential address will encounter an additional charge of \$5 per box. Please provide a business delivery address if at all possible.**

If you have questions or comments about our shipping, please don't hesitate to email info@matchvineyards.com
